- 2      **Mandatory Condition # 4:** The defendant shall refrain from any unlawful use of a controlled substance. The defendant shall submit to one drug test within 15 days of release from imprisonment and at least two periodic drug tests thereafter, as determined by the Court.

**Supporting Evidence:** Mr. Williams is alleged to have violated mandatory condition number 4 by ingesting cocaine on or about December 19 and 30, 2018, based on positive urinalysis confirmation and the client's admission of such use.

On August 24, 2018, Mr. Keith Williams signed his conditions relative to case number 2:14CR00022-RMP-1, indicating he understood all conditions as ordered by the Court. Specifically, Mr. Williams was made aware by his U.S. probation officer that he was required to refrain from the use of any illicit substance.

Specifically, on December 20, 2018, Mr. Williams reported to the U.S. Probation Office as directed, after he was unable to provide a urinalysis sample for testing at his residence the previous date during a home contact. Mr. Williams submitted a urinalysis sample that was presumptive positive for cocaine, but adamantly denied use despite being confronted several times on the results of the test. The sample was subsequently forwarded to the contract laboratory for confirmation. Mr. Williams was then directed to report again on December 26, 2018, for follow-up testing to which he agreed.

On December 26, 2018, Mr. Williams reported as directed, and again submitted a urinalysis sample for testing that reflected as presumptive positive for cocaine, following which the client again denied use. This sample was additionally submitted to the contract laboratory for confirmation.

On December 27, and again on December 30, 2018, confirmation was received with respect to the samples submitted. In fact, both samples were confirmed as being positive for cocaine. On December 31, 2018, the client was contacted telephonically, at which time he admitted to initially relapsing on cocaine on or about December 19, 2018, and then using a second time on or about December 30, 2018. Mr. Williams subsequently reported on January 3, 2019, and did sign two drug use admission forms documenting his use on both dates as previously stated.
